~~State~~ expresses inability to account for ~~the~~ ~~grant~~ the origin of the practice of accepting life Certificates attested by Chambhogues or Patels and states that it is for order of Govt whether the rules & prescribed formalities applicable to the payment of ordinary pension should not be applied to Sarjapur Jahgir family stipends.

2. Sarjapur jahgir stipends were first instituted by the Dewan Purnaiya in return for the Jahgir lands resumed to Govt. The settlement of these stipends in money was made by the Inam Department and till 1897 they were disbursed by the Muzrai Department on stipend orders issued by the latter.

3. In 1897 these stipends were transferred to the General Deptt as forming part of the Political Pensions though the Muzrai Deptt continued disbursing them.

They were finally transferred

to the General Deptt (Vide Gll. No. P.P 141-43 & 30th Jany 1901) and in Gll. No. 12528-30 P.P 52 & 29th Jany 1902 the Comptroller was authorised to issue orders for payment of these stipends in accordance with the Codal rules.

14 On this authority all the stipend orders of the Muzrai Department were withdrawn and pension payment orders substituted. In fact the procedure for the disbursement of civil pensions was applied ~~for~~ to these stipends also, though the practice of accepting life certificates of stipendiaries attested by village Patels & Shanbhogs appears to have ~~continued~~ obtained and the provisions of Act 515 & 516 prescribing life certificates attested by Sub-Registrars are not enforced until objected to by the Comptroller only very recently.

15 The petitioners now beg that as some of them are gosha women & some are living in different villages, it is difficult for them to get the life certificates attested by the Sub-Registrar & therefore they may be permitted to draw their stipends thro' their vakeel or on production of life certificates attested by Patels & Shanbhogues.

The Comp's letter Explains how the practice of applying the ordinary rules relating to Service pensions, to these pensions also has come into being. Unlike Service pensions, these pensions are not life grants but are continued without reduction to the heirs of a deceased stipendiary and the precautions, ~~necessary in the case of life grant do not seem to be necessary in the case of such grants~~ prescribed by the M.S.R to ensure that the person for whom such life grants as Service pensions, are drawn, is really alive on the date the pension falls due do not seem appear to be capable of

The Govt is in any case bound to pay to some one - either to the Stipendiary as long as he is alive or to his heirs when he dies - and so permission may perhaps be given to allow their life Certificates being signed by Patels or Shanbhogues.

SIR,

Adverting to Memo No.Fl.959-S.&.A 62-14-2 dated 26th August 1914, forwarding for a report a petition from Sarjapur Jahagir stipendiaries, I have the honor to state that it is not possible at this distance of time to say how the life certificates granted by Shanbogue or Patels were being accepted as sufficient, although the practice is quite contrary to the provisions of the Mysore Service Regulations, One reason seems to be that these pensions were not considered regular pensions, as in the case of civil pensioners, but only ready money allowances granted to them in lieu of Jahagirs taken from them. In this view it seems that all the pension rules were not applied to them Since they draw their pensions on ordinary pension receipts and it is nowhere laid down that these should be exempted from the ordinary rule objection was taken to the life certificates. It is, however, a matte for the decision of Government whether the rules should be applied in their entirety to the case of this particular class of pensioners and it seems desirable to enforce the pension rules strictly in these case

Most Respected Sir,

We, the undersigned members of the Jahagirdars' family of Sarjapur most respectfully beg leave to bring the following few lines into your gracious and favourable consideration:-

We most respectfully beg to submit that it has been in existance for a long time that our Pension Allowance has been drawn in the Anekal Taluk Treasury and disbursed by our Vakil to whom we have given Attorney. After this Pension is brought under the Political head, the Stipendary orders were issued to us to draw our pension Allowance on producing our life certificates granted by either - Shanbhogs or Patels.

Our Vakil as usual presented our

Life Certificates before the Taluk Treasury officer to draw our Pension Allowance for the month of April 1914, on which the Treasury officer of Anekal was pleased to refuse the said Certificates stating that an objection order has been received from the Comptroller to the effect that the Life Certificates granted by Shanbhogs and Patels are invalid and that in future the said Certificates should only be granted by pensioned Magistrates or Sub-Registrars.

As we have been residing in different places where it is impossible to find pensioned Magistrates or Sub-Registrars, and as some are ghosha women, we represented our grievances to the Comptroller to allow our Vakil to draw the Pension Allowance in the Treasury on production of Life Certificates granted by the Shanbhogs or patels as it has been customary ever since the issue of the Stipendary order came into force, upon which the Comptroller was pleased to reply in his order No. 35 dated 7th Instant that we should obtain Govt. order to draw our pension Allowance on the production of Life Certificates issued by Shanbhogs or patels.

We most respectfully beg to bring

to your kind notice that we are living in
different Villages which are very far from
the Taluq Head quarters only where the Pension
Magistrates or Sub-Registrars may be available
and Some are unable to go to the Taluq Head
quarters owing to their family inconveniences
in which they have been miserably placed
Under these circumstances we most humbly
beg to request that you will be so pleased
as to give your Sympathetic Consideration
to our humble prayer and Kindly issue
order to the Comptroller that our Pension Allo-
ance may be drawn, as usual, by our
Vakil in the Anekal Taluq Treasury on
the production of our Life Certificates
granted by Shanbhogs or Patels of the place
where we reside, for which act of Kindne
and generosity we shall ever pray for
your honor's long life and prosperity.

Dewan of Mysore,

Bangalore.

May it please your Excellency.

The humble petition of the members of the family of the Jahaglirdar of Sarjapur, showeth:-

(1) That your petitioners were, from a long time, receiving their pension allowances through their Vakil, to whom they have given a Power of Attorney, from the Taluk Treasury at Anekal.

(2) That when the Jahaglir pension was brought under Political head, stipendiary orders were received asking your petitioners to draw pension allowances on the production of Life Certificates from the Shenbog or the Patel of the village in which your petitioners' live.

(3) This last practice has been followed until April last when the Vakil, on producing life-certificates and demanding payment of the Pension allowan he was informed by the Taluk Treasury Officer that it cannot be paid on account of the objection Statement receive from the Comptroller. That

that payment of pensions on life certificates issued by Shenbogs and Patels are irregular and that such payments should be made only on production of Life Certificates granted by Sub-Registrars or pensioned Magistrates.

(4) That this new order has produced great hardships on your petitioners in as much as the members of the Jahaghirdars' family are so numerous and are living in different villages of different Taluks & Districts that it has become impossible to go to a Sub-Registrar or pensioned magistrate who are invariably in Taluk and District head-quarters, and who are generally not being acquainted with the Jahaghirdars' family hesitate to issue Life Certificates for want of identification and that some of these officers are mohamedans before whom femal members cannot appear on account of gosha.

(5) Your petitioners submitted a petition to the Comptroller requesting him to restore the old arrangement to which he was pleased to reply in his no 35 dated 7.7.14 that Government should be moved in the Subject and on which a representation ~~in July last~~ is submitted to Your Excellency in July last.

Your petitioners, therefore, most humbly pray that Your Excellency will graciously be pleased to direct that the Anedal Taluk Treasury may, as it used to do prior to April last, pay the Vakil Your petitioners pension on production of Life Certificates from Patels or Shenbogues who can go even to the Yanaon to satisfy themselves of the pensioners life.

For this act of kindness your petitioner will ever pray for your Excellency's long life and prosperity.

We beg to subscribe

Correspondence ending with letter No. 1875—236, dated the 7th September 1914, from the Comptroller, Mysore Government, reporting, with reference to the prayer of certain Sarjapur Jaghir stipendiaries, that it is not clear how the existing practice of accepting life certificates granted by shanbhogs and patels came into existence, that objection was taken to such certificates in his office since these pensions are drawn on ordinary pension receipts and it was nowhere laid down that they are exempted from the ordinary rules of the Mysore Service Regulations relating to life certificates of pensioners, and stating that in order to secure uniformity of procedure it is desirable to enforce the ordinary rules in these cases also as in cases of ordinary pensions, but that it is however open to Government to lay down that the code rules need not be enforced in the case of these pensions in their entirety.

Order No. Fl. 5841-2—S. & A. 62-14-4, dated 14th April 1915.

Unlike ordinary service pensions which are life grants and lapse to Government on the death of the pensioner, the Sarjapur pensions are to be continued without deduction to the heirs of the deceased pensioner and Government consider that there is no harm in relaxing the code rules and in allowing the continuance of the existing practice in regard to life certificates in their cases. Government are accordingly pleased to direct that in the case of pension receipts of Sarjapur Jaghir stipendiaries life certificates granted by literate patels and shanbhogs may be accepted in cases where the classes of persons referred in Articles 515 and 516 of the Mysore Service Regulations are not readily available for obtaining such certificates.
